Re: Jonathan Walsh

Jonathan Walsh has been a student at Nowra Christian School since 2013. Throughout this time, Jonathan has proven to be a polite, friendly and personable young man who has made a valuable contribution to the life of the school and the wider community. He enjoys positive relationships with his peers and teachers.

In his final year at school, Jonathan has served as a School Prefect. This is a reflection of the high esteem with which he is held by his peers and the staff. He approached this role with a sincere attitude and carried out his responsibilities with a high level of commitment and ability. Jonathan's duties included running school assemblies, representing the school on significant occasions, attending leadership days and coordinating fundraising events. He was frequently required to address the school and its wider community, demonstrating his skill as an articulate and confident speaker who communicates with ease in a public forum as well as on a personal level.

He has also been faithfully serving our school in the Musical Band, Assembly Band and being a Canteen volunteer. Jonathan is reliable and honest, always conducting himself with integrity in his relationships with others and the tasks he is assigned to do.

Jonathan would be a valuable asset to any establishment, and I have no hesitation in recommending him. I would be pleased to speak further to this reference if requested to do so.

Yours faithfully,

Mr Nathan Asher
Head of Secondary
