Recommendation Letter for Mr. Jonathan Walsh

To Whom It May Concern:

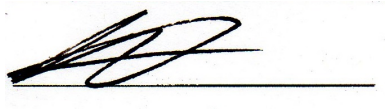

I am writing to recommend Jonathan Walsh for an internship position. I have worked with Jonathan since October 2023, and have been impressed throughout this time with his intelligence and unwavering professionalism.

During the time I have known Jonathan, he has demonstrated a keen passion for engineering and mathematics, and a determination for a job well done. He has taught students from a broad range of ages and subject areas, and he has been praised for his depth of understanding, his ability to clearly communicate highly technical topics, as well as his patience and friendly demeanor.

I would also like to mention that on a personal level, Jonathan is a pleasure to work with. I would consider him a welcome addition to any team.

If you need any further information, please don't hesitate to contact me.

Sincerely yours,
